**GENERAL - continued**

**Emergency Procedures** - In light of our Oklahoma weather, we want our parents to know what to do while at First Baptist Church:

If there is a **TORNADO** –

Preschoolers and children will be taken by their teachers to the Fellowship Hall.

The parent, in turn, should go to the Fellowship Hall and find their child.

If there is a **FIRE** –

Preschoolers and children will be taken by their teachers to either the North Parking Lot or the East Parking Lot.

The parent, in turn, should go to the either the North or East Parking Lot to find their child.

Parents, do **NOT GO** to get your child in the North Education Building. This would cause an almost impossible traffic jam in the building, endangering children, leaders and adults. Both Sabrina and Debbie have trained their leaders in the most efficient ways to get the children out of the building in either of these cases.

We appreciate your cooperation with these guidelines, as it will ensure maximum safety for all!

A supply will be kept and these will be delivered by our members to grateful children's workers in Mexico on future trips.
